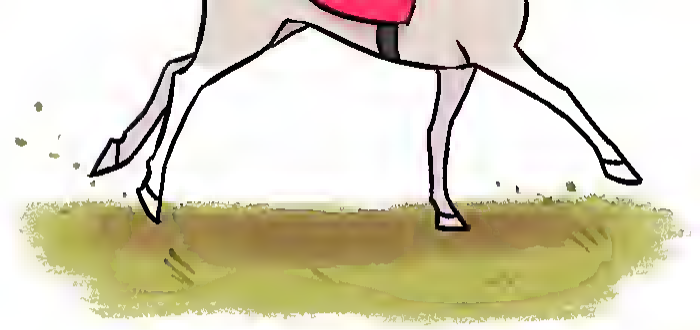
Sometimes, I wonder...

...what makes a racehorse win.

Is it the horse who has the strictest jockey?



Is it the horse who takes the best quality supplements?

WEALTH

Is it the horse who underwent the most harsh training?

LIFE

...is the horse who loves running and loves its jockey.

Because whether winning the race or not,

they always feel like winners.

Life is more about loving the run
than winning the race.

Introducing new feature!

Each month, I will create art based on a theme, and I will put them together in the comic at the end of month.

RACEHORSE JANUARY

Seabiscuit

One of my favorite horse movies is Seabiscuit.

This month I'm going to draw racehorses inspired by their names!
